

LOVE IN THE LAND OF ICE & FIRE

Reykjavik Tour, Day 1

Today will get to see all of the landmarks in Downtown Reykjavík and learn about its main attractions. The tour is expected to last approximately 3-4 hours. Your driver and expert guide will take you to see notable sites including Hafnarfjörður fish market, the presidential residence at Bessastadir, Hallgrímskirkja church and Harpa concert hall. As a main part of the visit you will stop by the Perlan exhibition center to enjoy the wonders of Iceland and the marvelous views from the observation deck. Here, visitors can see, feel and experience Iceland's wonders all in one place.

Southern Iceland Tour, Day 2

Stay at Tower Suites Reykjavík

Venture down to the south coast of Iceland, for a day filled with glacial vistas, waterfalls and black beaches. Sites may include Seljalandsfoss and Skogafoss waterfalls, as well as the black beach Reynisfjara with the beautiful columnar basalt and Reynisdrangar rock formations in the distance. You will also visit the iconic Eyjafjallajökull volcano, one of the few stratovolcanoes found in Iceland.

Diving Training, Day 3

A training session will be conducted and you will experience a confined water dive at the swimming pool, followed by two open water dives in a local dive site that will be decided by the instructor on the day of the tour depending on weather conditions. It will most likely be one of the following sites: Kleifarvatn, Garður or Bjarnagjá. The course usually takes 10-12 hours depending on the students.

Diving In Silfra, Day 4

Stay at The Retreat at Blue Lagoon

Today you will experience a Diving Silfra Day Tour. During the one hour drive to Thingvellir National Park, your guide will introduce you to the unique geological and cultural history of Silfra and the surrounding Thingvellir area. Upon arrival at the Silfra fissure, your guide will give you a detailed briefing of the dive site and the most important aspects of dry suit diving. With high-quality equipment it's time to take the plunge and experience diving Silfra's pristine, crystal clear water.

Blue Lagoon Experience & Northern Lights, Day 5 - Final Day

Today is a day of leisure for you both to enjoy the Blue Lagoon and its offerings. Later in the evening we will try and escape the crowds, go off the beaten track by a super jeep and explore the Northern Lights! You'll leave the light pollution of the city in the evening, on this approximately four-hour tour and head out into the dark night in our super jeeps. Once we have found a suitable spot, you will stop to observe this fascinating natural phenomenon also known as Aurora Borealis.
